WHAT IS LOGOS?

The term LOGOS means “The Word” and is a national program designed to nurture and foster growth of the whole person-mind, body, and spirit. The program is held from Sept. to April of each year and is meant to be an enrichment program that is a part of the overall religious educational ministry of Evergreen Presbyterian Church.

The purposes of the LOGOS program are:

- *to develop intelligent, active, loyal discipleship and leadership.
- *to provide worthwhile study, wholesome recreation, and opportunities for service within the community.
- *to enable young people to develop spiritual maturity and conviction.
- *to create an understanding of and desire to be a part of the Christian family.

The Four Parts of Logos

1. Worship Skills/Music

This program offering will prepare our children to understand the worship experience, including music.

2. Crafts/Recreation Time

Participants will explore their creative side through projects to correlate with worship, mission, and seasonal activities.

3. Family Time/Dinner

Sharing a meal allows us to experience the special closeness Christ so often shared with His friends.

4. Bible Time

Bible study nurtures our children into biblically informed discipleship.

Classes are available for Preschool through Adults.

COST

The cost for the program for 2011-12:

\$ 50 per person for the whole year or
\$100 per family for 2 or more family members.

Installment payments may be arranged through Jane Belsches or Sandy Lacey. Scholarships are available upon request.

PARENT INVOLVEMENT

The Logos Program provides parents with a needed environment of safety, nurture, fun, and fellowship for their children/youth. Active participation by at least one parent or sponsor of every child in LOGOS is required. Parents and sponsors are asked to join us for dinner as often as possible.

WEEKLY SCHEDULE

All LOGOS participants are to register in the fellowship hall upon arrival. Any special announcements about schedule changes, etc. will be delivered at that time.

Preschoolers will have Bible/crafts class from 5-6, music skills from 6-6:25.

K-2 will have Music 5-5:30, Crafts 5:30-6, Bible 6-6:30.

Gr. 3-5 will have crafts 5-5:30, Music 5:30-6, Bible 6-6:30.

Middle school and senior high will have handbells/music classes from 5-5:45, and Bible from 5:45-6:30. Adults will have a Bible study from 5:30-6:30 led by Joe Johnson & Sandy Lacey.

All Logos participants will gather in the fellowship hall at 6:30. The host family will introduce the theme for the week, recognize guests and birthdays, and make any special announcements. After the meal and clean-up, family time will be held for everyone to be led by the host family. All programs will conclude at 7 PM.

DISCIPLINE POLICY

All interactions throughout the LOGOS program are based on these rules:

- * Everyone is to treat everyone else as a Child of God.
- *No one has the right to treat anyone else as if they do not matter.

The discipline policy of LOGOS is intended to support these principles. Courtesy, good manners, and good sportsmanship are expected at all times. All adults function as disciplinarian, teacher, and friend and need to be treated with respect and courtesy. Disciplinary problems will be dealt with as promptly, realistically, and consistently as possible. Since LOGOS is intended to help develop relationships with each other and with God, all personal items such as toys, video games, headphones should be left at home. If brought, they will be taken up and kept until closing. Cell phones may be kept with the student but must be turned off while in the building.

MISSION

The LOGOS program adopts a mission opportunity each month. Examples include food for the Humane Society, canned food for our food pantry, etc. Each month the mission project will be announced.

GUEST POLICY

Guests are always welcome. Upon arrival, the guest needs to be registered and a suggested donation of \$2 paid for the meal. Visitors are expected to stay with the student who brings them throughout the entire LOGOS program. Visitors may attend LOGOS two times. If they wish to continue after the second visit, they must enroll in the program and agree to the same commitments as other members.

LOGOS KICK-OFF/CLOSING

The LOGOS program begins and ends with special nights. Schedules for these nights will be announced. Fall Festival and Lent/Ash Wednesday are also special events held during the LOGOS year.
